THE BULLDOG

20

*Amylyps
Arnold*

We, the Bulldog staff and students of Sulphur High School, wish to dedicate our 1961 Bulldog to Mr. T. Woods who retired this year after having served Sulphur schools as janitor for twenty-five years.

Mr. Woods was presented a gold watch inscribed for his twenty-five years of diligent and faithful service by the Board of Education. During his time here, Mr. Woods was known for being helpful in seeing that needs were met for students, teachers, and the administration. At all times he rendered his best service to the school and community. At the time of his retirement Mr. Woods was head custodian for all the schools.

Thank you Mr. Woods. We all miss you very much.

ANNUAL QUEEN

Linda Johnson
Senior

The annual staff of Sulphur High School proudly presents the 1961 edition of the Bulldog.

It is our aim to bring to your mind the highlights of the 1960-61 school year--the pep assemblies and the games following, the banquets and class parties, athletic events and scholastic achievements, choral groups and contests. And to the seniors we present the memories of their last year in high school.

My personal thanks goes to all who helped in the organization of this annual, especially to a wonderful staff and sponsor.

EDUCATION FOR ALL IS A TREMENDOUS CHALLENGE

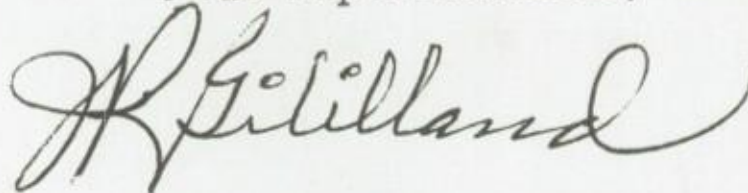

It is the school administrator's responsibility to provide an adequate program of continuing education.

I would like to make this observation: in the years ahead, on a scale never before required, continuous education will be the common denominator for everyone's needs. It will be the greatest single resource for meeting the challenge of the space age.

The time has come when each of you should strive to acquire the best education that can be had with the endowment you possess.

What happens to our graduates after leaving Sulphur High School is of great concern to our Faculty, Board of Education and myself. Your success will add to our pleasure and your adversity to our sorrow.

Your superintendent,

There never comes a lonely day
but that we miss the laughing
ways
Of those who used to walk with
us through all our happy
yesterdays.
We seldom miss the earthly great-
the famous men that life has
known-
But, as the years go racing by,
we miss the friend we used to
own.

PROPHECY

Here we are back again at dear old SHS, the year 1971. The graduating class of 1961 has gathered here for the first time since graduating. It was a hard task to get everyone here from all corners of the world, but everyone finally made it.

Our emcee for the evening is none other than Dave Roberson, he and his wife, Jannette are doing pretty good for themselves. They now own an elaborate dairy farm in which they sell dairy products all over the world.

Brent Rogers and his lovely wife, Linda, now own a line of night clubs in Las Vegas called "Spedo's Casinos." Linda just couldn't be out done by her husband so she started the "Spark Plug" modeling school. Some of the famous models that have graduated from her school are: Adeline "Corky" White, Peggy "LuLu" Kirby, Ann "Knock Them Out" Stevens, and Mitzi "Wow" Payne.

When Bart Ozbirn and his wife, Carolyn Chaffin Ozbirn, moved to Wyoming they just couldn't leave their chickens behind. So every night at midnight Carolyn and Bart walk their chickens. Just like it was in high school.

George Ritchie is a great disk jockey now. His favorite slogan is "Cool dadyo of the radio, your platter packing pappio." The most popular singers of the year are Bruce Govett, Earl Hunter, Kent Meritt, Benny Stout, Ronnie "Stupo" Boles, and the top lady singer, Jackie Patterson.

Glen Lemings has now taken over Roy Rogers' place as King of the Cowboys. He has an annual performance at Madison Square Garden. Some of his real ruff riders are Donald "Ducky" Day, Jim Parker, Don Erickson, Barclay Martin, Bill "hogman" Thomas, and Glen "Turkey" Delbeck.

Bill Frye now owns his own Dentist office. Now the kids come home, run up to their mother and cry; "Look mom, no teeth!" His pretty assistant is Darline Garrison Davis.

Charlotte Cagle came all the way from Arabia to be with us. Along with her are her 15 husbands.

Of course you have all heard of Dale McBride and Gene Thompson's recent rise to fame by winning the Annapolis 500. This could have been made possible only by the help of their mechanics, Jerry Hill, Ronald Allen, Donnie Goodnight and Ronald Baugh. The speedway was built by Jerry Powers and Tommy Stephens.

Donna Donald has become a great artist. The name of her studio is "The Splatter House."

Leland "Be Bop" Kelly just couldn't resist starting a beatnik colony so he bought a large apartment house in Greenwich Village and he calls it "Be Bop's Pad." There are few well known beatniks such as: Robert "BoBo" Hunt, Ronald "Dadio" Giddens, and Benny Kirkendoll.

Allen "Butch" Hill finally got his wish. Butch is now head ranger at Platt National Park.

Jerry "Goatburr" Payne and Charlotte Donaho Payne now live in Argentina where they raise goats to make a living.

Larry Stout, Terry Ward, and Dewey Runyan are now playing professional football.

Dale Donaho now owns his own Hereford Ranch in Texas. His foreman is the great rider Jerold Wells.

As we all figured Charles White and Reba Moss got married. They decided Sulphur was the best place to raise their six kids.

Gary Elmore is really making the money selling Dewayne Lee's Brew. It comes in Giant size cans and has a big lable so it's easy to read. Naturally he has a lot of competition from bootleggers such as Frank Lewis and Bobby "Mayonaise" Mann. Since Dewayne has always believed in doing everything fairly, this came as a great blow to him.

Lilla Robb now owns her own telephone company, the "Yak Yak." The operators that keep the gossip circulating are Joyce Atchley, Lois Helms, Georgiana McClure and of course Linda White.

Helen Clinton and Ladeana Jack just couldn't resist being kin to each other, now they are sisters-in-law.

Annette Milton came all the way from France to be with us. Annette is now a famous fashion designer. Some of her most popular creations are "The Zip" and "The Rip." Her assistants are Charlotte Greeson and Linda Reynolds.

Rebecca Worley now owns "Do Do's" Drive In. Her cashier is Ida Wright and her assistant is Eva Day.

Dwight Lawrence and Lawrence Sapp are big College Professors now.

We are very fortunate and very honored to have one of our classmates as President of the United States. You guessed it Earlene Kelly.

Loyd Morgan, Kenneth Clary, Don Hickman, and Tommy Stephens, David Adams own a construction company known as the MASCH Destruction Company.

Noble Anderson now has a T.V. Series known as "THE GUMSLINGERS."

Jerry Woodruff is doing pretty well for himself. He is the owner of Clinger Clothes. Merry Williams models all the clothing he designs.

When we arrived at SHS we were surprised to find that Freddie Gilbert had taken over Mr. Dukes place, and Jackie Jewell had finally taken over Mrs. Duke's Algebra class.

And last, but by no means least, is Kay Lance. Of course we all know why Kay looks so happy. She was named Miss America only last week.

HISTORY

We, the Class of '61 have the proud distinction of being the largest graduating class in the history of SHS. Believe it or not, this class is not only a highly talented one, but it is also a group recognized for its high scholastic honors, its superior achievements in activities, and organization (with one exception we won't discuss).

That great year, 1948, our lucky mothers dragged us up the steps of Washington and Cameron, where we were at first, reluctant to begin our education. (So were the teachers!) Those attending Washington were, Ronald Allen, Kenneth Clary, Butch Collins, Ducky Day, Don Erickson, Gary Elmore, Jerry Hill, Linda Johnson, Benny Stout, Jackie Patterson, Lilla Robb, Rebecca Worley, Jerry Woodruff, Charlotte Cagle, Helen Clinton, Eva Day, Darline Garrison, Charlotte Greeson, Benny Kirkendall, Dwight Lawrence, Bobby Mann, Ann Stevens, and Peggy Kirby came in the latter part of the year from Nebo and Rebecca Worley moved to Hollis. Those at Cameron were Butch Hill, Bruce Govett, Larry Stout, Georgiana McClure, Ida Wright, Terry Ward, Jerold Wells, Carolyn Chaffin, Jack Jewell, Dewey Runyan, Jim Parker, Glen Leming, and Bart Ozbirn. Bill Frye joined this group later from Missouri and Ducky Day decided he didn't like Washington and moved to Cameron. Remember when Benny Stout and Dwight Lawrence got a paddling at Washington for chasing a poor little girl and trying to kiss her.

In the 2nd grade Washington lost Darline Garrison to Georgia and Jackie Patterson, who liked to travel a lot, to Tulsa; while we gained Robert Hunt from Texas, Judy Spears from Davis, and Rebecca Worley back from Hollis. Cameron's only loss was Jimmy Parker to Washington, while they gained Reba Moss from Hickory, Gene Thompson from Arkansas, and Charlotte Donaho from Arizona.

Charlotte Greeson decided she wanted to change schools in the 3rd grade and Washington was glad to send her to Cameron. Cameron's other addition that year was Dale Donaho from Arizona, while they lost Bart Ozbirn to Ada. Washington gained Jackie Patterson, back from Tulsa, Bill Thomas from Mill Creek, and Keatha Beaver from Ada, and we lost Jim Parker to Oklahoma City. We hear that Jack Jewell and Bill Frye became quite good at playing jacks this year.

In the 4th grade Ducky Day and Don Erickson decided to change schools so Ducky went to Washington and Don to Cameron. Benny Stout also decided to go along with Don to Cameron. Jackie Patterson was back again, this time from Mill Creek, also with Gene Thompson and Charlotte Greeson from Cameron. Bill Thomas and Jerry Woodruff decided they would rather go to Cameron, and Kent Merritt also came from Ringling, Jim Parker from the City, Jerry Payne from Mill Creek, and at the end of the year Charles and Linda White joined this group from Texas.

Ah, the 5th grade. Yes, that was the year we began our "wild parties!" Jackie Patterson really threw one that year when she hit Gary Elmore in the head with the end of the water hose. He hasn't bothered her since. Washington really grew this year with Dale McBride from Ardmore, Jerry Powers from Arkansas, Ladeana Jack from Arizona, Jim Parker and Linda and Charles White from Cameron, Eva Day from Big Canyon, and Adeline White came all the way from Hawaii. Butch Collins moved to Big Canyon that year. Cameron gained Benny Stout from Washington and Lois Helms from Hickory. Carolyn Chaffin had a yearning to go West this year and moved to California, but then she decided she liked it better here and returned in the same year.

Now we were big sixth graders! Or so we thought. Washington was glad to get Linda Reynolds from Prairie View, Merry Williams from Big Canyon, and Charlotte Cagle from Cameron, while we lost Ladeana Jack to Arizona, Bob Hunt to Tulsa, and Jackie Patterson to Mill Creek. This was an uneventful year for Cameron with no losses or gains, but we hear that Reba Moss, Charlotte Donaho, and Carolyn Chaffin had a lot of fun playing football with the boys.

The 7th grade. My, what a year! We thought we could hardly do without those 30 minute recesses, but somehow we did! Dougherty gave us Ladonna Lance, Ronald Baugh, and Earl Hunter. The tornado at Blackwell blew in Annette Milton. We also gained Freddie Gilbert from Nebo, Barclay Martin from Stratford, Loyd Morgan from Durant, Donna Donald from Ardmore, and Jackie Patterson from Mill Creek, while we lost Dale McBride to Kingston and Charlotte Cagle to Muskogee.

In the 8th grade Dale McBride was back from Kingston, Charlotte Cagle back from Muskogee, and Noble Anderson from Davis and we lost Linda Reynolds to Texas. This was a memorable year, especially because of our 8th grade graduation. We surely felt big then, but we found we weren't even big enough to sit on balloons and burst them at our party afterward.

In our first year in high school Ladeana Jack was back from Arizona, Leland Kelly from Fox, Bart Ozbirn from Hickory, Earlene Kelly from Snyder, Donnie Goodnight from Stratford, Larry Sapp from California and Don Hickman from Hickory. We are happy to say we lost no one this year.

In our Sophomore year we gained Tommy Stevens, Linda Reynolds, and Glen Dilbeck from Hickory and Dave Roberson, Jerry Payne from Mill Creek. Our only loss was when Linda Reynolds decided to go back to Texas.

HISTORY

Our Junior year, and the fun began! We have always been a class that liked to have fun and this year we had a memorable Halloween Party, when some upper-classmen (or some girls) tried to crash it, but not for long. I'm sure everyone will remember our Sunrise Breakfast, too. Our additions were Pat Christy from Texas, Ronnie Boles from Hinton, Brent Rogers from Fox, and Linda Reynolds was back from Texas, this time to stay. We started the year off very well with two of the Student Council offices, President and Editor, Lilla Robb was chosen Football Queen; Dale Donaho, FHA Beau; Annette Milton, "S" Club Sweetheart; 2nd Semester we got Sec.-Treas. of Student Council. We had two of the officers of the Band, including President, one FHA officer; three members on the Bulldog Staff including Asst. Editor, one Cheerleader, two officers of Spanish including President, and Reba Moss was Spanish Queen.

Well, here we are Seniors! This year has been by far the best of all. Joining us this year were Mitze Payne from Mill Creek, Janette Roberson from Texas, George Ritchie from Ohio, Bob Hunt from Texas, Butch Collins from Big Canyon and coming from Dougherty were Ronnie Giddens and Joyce Faye Atchley. Frank Lewis also joined us this year.

We were a very active bunch this year. In FHA there were 21 senior girls, with 5 officers, including Pres. and Veep. There were 10 in FFA with 4 officers, including Pres. and 10 Greenhands; 12 in 4-H with the Pres., Charlotte Donaho was editor of the '61 Bulldog and she had 17 Seniors on her staff. There were 14 in Band, with Pres. and Veep and Drum Majorette, 18 in Pep Club, with Vice-Pres. and 4 Cheerleaders, 37 in Spanish Club with Ronnie Boles as Pres., 21 in Girls' Glee Club, 24 in Mixed Chorus, and 8 in Boys' Glee Club. There were 6 librarians, 10 projectionists, 3 on the office staff. We had 9 wrestlers. There were 20 on the Football team including the entire first string. We're really proud of our 5 boys who made All-District and of Larry Stout, who made All-Area. There are 18 in Letterman's Club with Seniors holding all of the offices. We have 2 seniors in the Girls' Quartet, 2 in Mixed Quartet, 3 in Boys' Quartet, 2 in the FHA Sextet, 2 Seniors were chosen for All-State Chorus and 6 in All-District Band. There are 11 in NHS and 8 in OHS. There are also 7 on the Basketball team and 8 on the Track team and 8 on the Baseball team. First semester, we held the President and Veep. offices in the Student Council and 2nd Semester, Pres., Veep, and Editor. Brenda Calvert was Football Queen, Helen Clinton was FFA Sweetheart, and Spanish Queen, Dewey Runyan, FHA Beau, and Danny Williams liked the looks of Linda Johnson and chose her as Annual Queen.

Yes, here we are about to graduate. It doesn't seem possible, but we know it is. We as a class, have had many happy times together and you, the underclassmen, have helped make it possible. Now, it is about time for us to leave your midst and also for our history as students at Sulphur to come to a close. We the Senior Class of 1961 willfully and a bit sorrowfully, submit this history to you and wish you the best of luck, and hope in the rest of your school days you have as much fun as we did.
